

**Update on October 2020 Trimester and  
Academic Study and Course Pre-registration  
for January 2021 Trimester**

**18 November 2020**

The media statements and the Standard Operating Procedures (SOPs) from MOHE have outlined that all academic activities at Institutions of Higher Learning during CMCO must be carried out via Online Teaching and Learning (OTL) where face-to-face teaching is not allowed. In view of the current COVID-19 situation, this is to inform you that for Foundation, Undergraduate and Postgraduate (coursework / mixed-mode) Programmes, all classes shall be conducted via OTL mode for the rest of this October trimester and subsequently followed by remote Final Assessment in December 2020, as announced earlier.

Pursuant to the above and due to the current and changing COVID-19 situation in Malaysia, the University would also like to inform all students of the following in preparation for the start of the January 2021 Trimester:

**A. Commencement of the January 2021 Trimester**

1. The January 2021 Trimester for Foundation Programmes, Undergraduate Programmes and Postgraduate Programmes (coursework / mixed-mode) shall start on 18 January 2021. Please refer to the latest Academic Calendar on UTAR website for the detailed schedules (<https://admission.utar.edu.my/Academic-Calendar.php>).
2. Subject to the latest MOHE instructions and provided that physical classes can be conducted with physical distancing on campus, the **blended learning course delivery method** consisting of a combination of physical and OTL classes shall be conducted in the January 2021 Trimester. Students will have the choice to return to campus for physical classes or continue to take OTL classes. **Table A1** shows a summary of course delivery methods below:

**Table A1: Course Delivery Methods (OTL or Physical) according to Class Type**

Class Type	Course Delivery Method
Lecture	OTL
Tutorial	Physical / OTL
Practical	Physical / OTL

- i. All **Lecture Classes** will be conducted through **OTL** mode.
- ii. **Tutorials / Practical Classes** will be conducted via **physical mode** for students who choose to return to campus; **and via OTL mode** for students who choose to study remotely.
- iii. For certain courses, tutorials / practical classes are conducted via both physical and OTL mode **concurrently**.
- iv. For details of the courses, please refer to your respective Faculty / Institute / Centre.

- v. **Remote Examination** including **Continuous Assessments** (i.e. tests and assignments) and **Final Assessments** (i.e. time-restricted open-ended assessments and online examinations) will be implemented for the January 2021 Trimester.
  - vi. All Foundation, Undergraduate, and Postgraduate students (including EEP) who wish to return to campus to use campus facilities, and meet with Academic Advisors, Project Supervisors and Course Lecturers, can arrange by appointment for face-to-face consultation in addition to online consultation, by following the physical distancing and safety SOPs.
3. **Table A2** (pages 5-7) shows a list of courses with **compulsory physical tutorial or practical sessions** required by the professional body or faculty. However, if you are NOT able to return to campus to carry out such essential physical hands-on classes / activities / hands-on laboratory / practical training / clinical work due to unavoidable reasons, you must apply to your respective Faculty Dean with the appropriate reason(s) for approval to fulfil this requirement at a later time. Please contact your respective Dean for more information if you need further clarification regarding this requirement.
  4. **Table A3** (pages 7-11) shows a list of courses that are **100% fully conducted via OTL** without any physical tutorials and practical classes. If ALL your registered courses for January 2021 Trimesters are conducted via OTL mode only, then you need not opt to “Return to campus”.
  5. **Table A4** (page 12) shows a list of **Learning Spaces** in both Sg Long Campus and Kampar Campus. If you choose to “Return to campus”, you can access campus facilities at these Learning Spaces with WiFi access during weekdays throughout the 14 study weeks (not available on Saturday / Sunday / public holidays). These Learning Spaces are for you to use your own device to attend OTL lecture / tutorial / practical classes at your convenience as waiting places or conduct self-study in between classes that are conducted via physical mode and OTL mode.
  6. Students who have registered or plan to register for **industrial training / clinical training** in the January 2021 Trimester and who will be attached to the company / institution outside the University, need NOT return to campus. Please follow the instructions of your Faculty for industrial training arrangements.
  7. For **FMHS students**, due to the need of clinical placement and training, please refer to the faculty for further information and arrangements.
  8. For **International students**, please contact the Department of International Student Services (DISS) if you need further information or have further queries.
  9. For **students of Postgraduate Programmes by research mode**, you can continue your R&D activities on campus as planned by following the latest MOHE instructions, physical distancing and safety SOPs.
  10. For **Final year students who are doing final year projects**, you can return to campus to use the relevant campus facilities, and meet with your Project Supervisors by appointment for face-to-face consultation in addition to online consultation, by following the physical distancing and safety SOPs.

11. Students who need **financial assistance** can refer to <https://deas.utar.edu.my/Financial-Aid.php> for further details on scholarships, loan and financial aid available to students. Students may apply for the scholarship and loan via Student Portal > Information Gateway > Student Scholarships and Loans Online Application.

### **B. Survey on Academic Study Mode (Existing Students)**

1. In order to facilitate the academic planning of January 2021 Trimester, a formal online survey on Academic Study Mode will be carried out. All existing students of the Foundation, Undergraduate and Postgraduate Programmes (coursework / mixed-mode) must indicate your preferred **Academic Study Mode** (Return, or Not to Return to Campus) and **Course Delivery Method** (Physical / OTL) via the link to study survey (<https://unitreg.utar.edu.my/StudySurveyJan>). Choose only **ONE (1)** option below:

#### **Options for Academic Study Mode and Course Delivery Method in Jan 2021 Trimester**

Academic Study Mode	Option	Course Delivery Method
Return to Campus	1a	Attend tutorial / practical classes via physical mode on campus; lecture classes via OTL mode; access to campus facilities.
	1b	Attend tutorial / practical classes and lecture classes via OTL mode only; access to campus facilities.
NOT to Return to Campus	2	Attend tutorial / practical classes and lecture classes via OTL mode only.

2. The survey on Academic Study Mode is conducted from **18 November to 25 November 2020**. You must complete this survey latest by **25 November 2020, 10pm**. Your participation in this survey is important for the University to plan out the January 2021 Trimester timetable for tutorial / practical classes via the physical and OTL mode.
3. You can confirm or change this **Academic Study Mode** and **Course Delivery Method** during the course pre-registration exercise at <https://unitreg.utar.edu.my/> following the schedule of your Faculty / Institute / Centre as detailed in Section C.

### **C. Online Course Pre-registration and Confirmation of Academic Study Mode for the January 2021 Trimester**

1. Upon completion of the above Academic Study Mode Survey, all existing students of Foundation and Undergraduate Programmes shall complete the Course Pre-registration and Confirmation of Academic Study Mode online at <https://unitreg.utar.edu.my/>, starting from **26 November 2020** according to the staggered schedule as follows:
- (i) **Undergraduate Programmes: 26 November to 10 December 2020**
- (ii) **Foundation Programmes: 15 December to 17 December 2020**

Please refer to **Table C1** (pages 13-14) for the details of the staggered timetable allocated to the programmes of Faculty / Institute / Centre for the January 2021 Trimester. Please

login using UTAR email ID / password to access the user guide video clip on this online course pre-registration exercise at [bit.ly/CourseReg2021Jan](https://bit.ly/CourseReg2021Jan).

2. Please take note that all existing students of each academic programme is given a specific time period according to the schedules in **Table C1** to complete the following:

- (i) **Pre-registration of Courses and Course Delivery Method**

For course pre-registration, students (except for new students of the January 2021 intake) need to pre-register for courses to be taken in the January 2021 Trimester by choosing the lecture groups (**via OTL mode only**) and the appropriate tutorial / practical groups (**via Physical or OTL mode**), as allotted by the respective Faculty / Centre for the registered courses, where applicable.

- (ii) **Confirmation of Academic Study Mode**

During course pre-registration, all existing students must confirm your selection whether or not to return to campus to attend classes via Physical or OTL course delivery method in the January 2021 Trimester. Your selection shall be auto approved upon clicking the submission button.

After course pre-registration, if you wish to change your decision on the academic study mode / course delivery method selected due to unforeseen reasons, please contact your Faculty / Institute / Centre General Office, and apply to your Faculty Dean / Centre Director for approval, subjected to the availability of the classes, before the commencement of the January 2021 Trimester. If necessary, you may also change the course lecture / tutorial / practical groups throughout the Add and Drop Period of the January 2021 Trimester.

3. For new students of the January 2021 intake, you are required to complete the confirmation of your preferred **Academic Study Mode** (Come to Campus; or Not to Come to Campus) and **Course Delivery Method** (Physical mode / Online Teaching and Learning mode) via <https://unitreg.utar.edu.my/StudyConfirmJan>. After you have confirmed your Academic Study Mode and Course Delivery Method, your Faculty / Institute / Centre will pre-assign the course lecture, tutorial / practical groups of all your registered courses. Please check your timetable on the UTAR portal system for the details of assigned lecture / tutorial / practical groups and contact your Faculty / Institute / Centre general office if you need further clarification.

Please note that the conduct of all essential physical hands-on classes and activities in the University campuses or the use of campus infrastructures and facilities, where relevant, will also follow all the health and safety SOPs as per MOHE and the relevant authorities, as well as the physical distancing SOPs issued by the University.

Any changes / updates to the above arrangements will be announced from time to time, in accordance to the latest directives from MOHE, professional bodies and relevant authorities.

Please stay safe and healthy. Thank You.
