*Thank you. Until we meet again.*

*A few words from UTAR Chancellor,  
Yang Amat Berbahagia Tun Dr Ling Liong Sik*

I am pleased to welcome all distinguished golfers to this Charity Golf Meet.

I would like to thank Sungai Long Golf and Country Club, all distinguished golfers, sponsors and donors for responding to our invitation to participate in this Charity Golf Meet. We appreciate all of you coming together to enjoy a game of golf over a good cause for UTAR Hospital.

**Tun Dr Ling Liong Sik**

Most golfers would agree that the friendships and bond built on a golf course are meaningful and elevating. So, I hope that the golfers at this Golf Meet will not only enjoy the game but also use this opportunity to catch up, chat and laugh for a relaxing time.

Golf is really a game of more than just your perfect shots, it is also about how well you respond and score with your misses. Life is very much like a game of golf. There will be days of good shots and days of misses but we learn to accept the challenge, and be better. Most importantly, we learn to enjoy the game and have a fun day regardless.

Allow me to leave with you this quote from past amateur golfer Bobby Jones who said that, "Golf is the closest game to the game we call life. You get bad breaks from good shots; you get good breaks from bad shots - but you have to play the ball where it lies."

Once again, thank you all for joining us on this day. Allow me to congratulate the winners in advance.

Enjoy the game.

*Message from UTAR President*

On behalf of UTAR and UTAR Hospital, I sincerely thank Sungai Long Golf and Country Club, all distinguished golfers, donors, and sponsors for supporting this Charity Golf Meet and for graciously donating money for the Hospital. This spirit of giving back in support of charity is truly heart-warming.

**Ir Prof Dato' Dr Ewe Hong Tat**

Your generosity, kindness and support will not only contribute towards the development of UTAR Hospital; but also, help the Hospital provide affordable quality medical and health services to the community. As a not-for-profit hospital, the UTAR Hospital is really a hospital for the community. The funds raised will eventually help many people in the community attain affordable specialist medical treatment.

The Hospital will also conduct medical R&D and provide clinical training for MBBS students, Chinese Medicine and Health Science students. In addition, it will provide many job opportunities for the local and surrounding community. The Hospital will also create more socio-economic activities that will eventually progress the town and promote growth.

This year is UTAR's 20th Anniversary and the establishment of the UTAR Hospital is truly a step forward that reflects the continuous spirit of giving among the community in support of a good cause that will eventually reap returns back to the community, especially for future generations.

So, once again, I would like to thank everyone for the support and contributions and for helping this Charity Golf Meet attain its objectives.

Have a blessed day and stay safe and healthy.

*Word of thanks from the Chairman of the  
UTAR Hospital Charity Golf Meet  
Organising Committee*

On behalf of the Organising Committee, I welcome all golfers, sponsors and donors to the UTAR Hospital Charity Golf Meet 2022.

This Charity Golf Meet is indeed meaningful as it brings together diverse groups of people who value acts of charity above everything else which would, at the end of the day, benefit our multiracial community especially the less fortunate; such as, the citizens in the B40 group. The noble ultimate intention of UTAR Education Foundation is to build a fully pledged hospital to further train medical graduates and also to provide very affordable medical care to Malaysians.

Therefore, organising this Golf Meet is one of the many activities by UTAR to raise funds to enable the hospital project to be completed and operational sooner. To this end, I am indeed grateful for the immense support shown by fellow golfers, the generous donations that poured in, and the tremendous support from friends, partners, donors and also the sponsors.

It has taken months to prepare for this Charity Golf but it was worth all the efforts to see this event to fruition. I would like to also thank the two Vice Chairman - Datuk Lee Leck Cheng and Datuk Lim Si Cheng who worked tirelessly to keep this event

**Tan Sri Dato' Seri Chor Chee Heung**

*Word of thanks from the Chairman of the  
UTAR Hospital Charity Golf Meet  
Organising Committee*

spirit alive and going from day one. Together they brought in golfers and donors and provided the invaluable team support.

I must not forget to also thank our good friend, Dato' Sri Ir Yap Chong Lee, who, through his Sungai Long Golf and Country Club, sponsored not only the golf course for the golf play; but also, the breakfast and lunch for the golfers and VIPs. This sponsorship has provided the focal point for golfers to gather and play a good game.

Thanks to UTAR President Ir Prof Dato' Dr Ewe Hong Tat and the staff of UTAR who are part of this organising committee. They have given much assistance and support to help coordinate and bring everything together for a smooth event.

Most importantly, thank you fellow golfers, donors and sponsors who came forward with a genuine sense of charity, and who truly deserve our acknowledgement and sincere thanks. At the end of the day, regardless of the score or the weather, having a good outing in golf and doing something meaningful are what matters most.

On behalf of the Organising Committee, thank you all again!

I wish you happy golfing!!!
